McGinley Group Announces a Merger of Companies to Form McGinley Resourcing Solutions Ltd

London, United Kingdom: McGinley Group Limited, one of the UK's largest groups of specialist recruitment businesses, today announced the creation of McGinley Resourcing Solutions Ltd by consolidating three of its companies into one new subsidiary company.

McGinley Care, McGinley Interim Executives and Resource Support Services Ltd were all originally formed with the vision of helping public and not-for-profit organisations recruit new talent within a variety of professional disciplines. Dermot McGinley, Group Managing Director said "By streamlining the group's public sector offering into one new brand it allows us to service this sector whilst being capable of functioning more efficiently and effectively", hence the formation of McGinley Resourcing Solutions Ltd.

McGinley Resourcing Solutions now covers all these sectors and always aims to provide the best person for the job, on a temporary, contract or permanent basis, by carefully considering applicants and having a detailed knowledge of the positions needed to be filled.

Colm McGinley, Director of McGinley Resourcing Solutions, said "The re-brand of McGinley Resourcing Solutions allows us to provide a professional and focused service for those looking for both talent and work within the public sector. We are dedicated to provide a top quality service and this has already proved successful through some substantial contract wins in the last 6 months"
